87th Annual BBQ Important Info...

***Signup Sheets**...Recruit your friends, family, and neighbors to join you in a booth or the kitchen area. This is a fun event with live music, beer and great food. Make this a memorable event by volunteering...work as a team (mother/son...father/daughter) and make the BBQ an educational experience!

***Kid's Zone**...We need to make progress towards our requirement of having 2 adults present in the Kid's Zone per shift. The kids need to have something to do to keep them entertained. Happy kids=happy parents!

***Suggestion box**...Remember there is now a suggestion box in the back of the church. Suggestions can be anonymous. This box is also a firewood donation box.

Pope's Intention: For the formation of religious and seminarians. We pray that religious women and men, and seminarians, grow in their own vocations through their human, pastoral, spiritual and community formation, leading them to be credible witnesses to the Gospel.

A Message from Father Rick

The resurrection of Jesus is more than just a miracle. A miracle happens due to God's intervention. In the case of Jesus, there was no need of divine intervention. Jesus' rising to new life was made possible through God's own power. Jesus conquered death by His own divine power. It was from the beginning the divine plan. Forty days after his rising from the dead Jesus remained with his disciples to show to them the plan and to commission them to share to the whole world the good news of God's mercy for all. After forty days, Jesus ascended to where he had been for all eternity. His destiny will also be our destiny. St. Paul says in his letter to the Romans, "If, then, we have died with Christ, we believe that we shall also live with him." Our faith may lead us to witness some great miracles in life, but no miracles greater than our own resurrection. This is our hope and we pray that we will be made worthy to rise to new life in Christ our Lord.
